### FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great  
Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die. At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well. I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years.

Your druggist sells it. Please try it.

### ELECTRA

Electra, Nov. 15.—Changeable weather this, real cold Monday, hot again, and still no rain.

Last week visitors to the county seat all report much talk and preparations being made for the county fair. "See you at the fair," is a favorite expression here these days.

J. G. Fakes of Newtown, has accepted a position here with S. E. Smith on his turpentine farm.

The revival meetings at Harmony Baptist church here came to a close Sunday. From the first service unusual interest has been shown, and crowded houses have each day listened to sermons, clear, pointed and logical, and delivered with tactful force which has shown effects in this community. Seventeen members were added to the church. The pastor, Rev. Gorbitt, of Altoona, did all the preaching and other than his denomination, has made many friends here by his plain and honest work in our midst.

Mr. W. J. Whitehurst of Zuber, is closing up his crockery business here, and will make his headquarters in Ocala, where he has accepted a lucrative position. Mr. Whitehurst is a young business man of pleasing appearance, whose friends here will welcome him any time.

Mr. and Mrs. S. E. Smith and baby, Ethel, left Wednesday for a week's visit among relatives at Leno and Green Cove Springs.

Mrs. C. A. Fort and bright little son of Ocala, is spending this week here with her mother, Mrs. J. P. Holly.

Mr. O. E. Caldwell left Tuesday for Emerald Island for a week's hunt. Ye sports are in their glory, hunting turkeys, quail, etc., now that the season has arrived.

Earl Smith gave a party Monday night, his 15th birthday.

Quite a number of visiting friends from and near Lynne attended the services here Sunday, all of whom were very welcome.

Mr. G. W. Waters is much improved since our last communication.

Politics is already warming up on the east side, numerous men being cussed and discussed for the various state and county offices, but "sufficient unto the day will be the evil thereof."

The Electra Union Sunday School, after a suspension of a month, on account of the protracted services here, and adjoining churches, will meet Sunday the 19th at the usual hour, and hope to meet regularly thereafter.

"See you at the fair."
